Our Mission Statement

Verona Area Core Knowledge® Charter School is a public education option for parents, students and teachers in the Verona Area School District where students develop strong learning skills and a broad base of knowledge through the use of proven educational materials and programs in a safe and structured environment.

Director’s Corner

Character in Action – Perseverance

We are committed to creating an atmosphere of learning where children value the importance of “good” character at CKCS. We take pride in being respectful, honest, responsible, and caring, even when no one is looking. Thank you for reinforcing these important traits at home. Perseverance means working hard to attain a goal with determination and patience, even when confronted with failure. If something is worth achieving, it is worth an all out effort. Good things in life come to us as a result of time, energy, sacrifice and even risk of failure. If you want to succeed, you need to be tough, not afraid of challenges and be prepared for hard work. Two traits that successful people have are hard work and perseverance.

“Table Talk” conversation on Perseverance:

1. What did each of you do this week to persevere? Was it working hard on a difficult project, going to school when you did not feel that well, etc. Celebrate whatever it was that you achieved.
2. Every time your child makes a negative statement about completing an assignment or chore at home, have him or her turn the statement into a positive one. Focus on how lack of determination and lack of patience hinders progress.
3. Talk about this statement, “Failure is not falling down; it is staying down.”
4. Hard work and perseverance makes us feel good. Tell your child about one time you persevered as a child. Have fun with your story.

Together we are better,

Brett Stousland
Principal
Important Information

Several emails have been sent home this past week. If you did not receive an email from school, and you would like to receive emails from CKCS, please let us know. Also, be sure to check your SPAM as often first emails will get filtered into spam.

CKCS has a school App for your smartphone/iphone. Download ischoolbox to your phone, then search Verona School District and click on CKCS_Verona.

CKCS now has a Twitter account. Follow us at ‘CKCS_Verona’ and your school library ‘@ BRMSlibrary’.

Did you know that CKCS has a FaceBook group for parents? It is been a great place to share information about school events, activities, fundraisers & other information. If you are interested in joining, search FaceBook groups for “CKCS” and request to join!

Online Social Networking: Good? Bad?

Social networking sites like Facebook, Twitter, and Snapchat are very attractive environments for teens, as well as for adults. Such sites present opportunities for self-expression and friendship building. Youth “play time” in such environments can build skills that will be a foundation for career success in the 21st century. Many teens are safely and responsibly engaged in such communities.

However, legitimate concerns do exist about youth involvement on these sites. Those concerns are grounded in three basic factors: 1) The sites are attracting many teens, some of whom are not making good choices. 2) Many parents are not paying attention to what their children are posting on the sites. I suggest only allowing your child to have an account if you as the parent are allowed to monitor it. 3) Online predators and other dangerous strangers are attracted to places where teens are not making good choices and adults are not paying attention.

Online Guidelines for Students

- Be kind to others. Think how you would feel if someone posted similar things about you.
- Think before you post. Material posted in these communities is public, could damage your reputation, or could be used to harm you. It is not private!
- Take steps to protect yourself and others from bullying and harassment. Report concerns to the website and to a trusted adult.
- Report to an adult if someone posts threats of violence towards another student or self-harm. Such threats could be real threats. Don’t post threats yourself. Threats are taken very seriously by schools and law enforcement.
- Develop “stranger danger” detection skills. People online might not be who they seem to be. Develop a safety plan for meeting online friends that is approved by your parent.
- Stop the predators. If you have been contacted by someone you think might be a predator, report it to a trusted adult.

CKCS Registration

The biggest thing families need to know is that if they want a sibling to attend (our school next year), their child will get in, but they must fill out the proper forms.

1. If you have a child that currently attends Core Knowledge Charter School and you have a sibling that you would like to attend (for example, an incoming Kindergartener for next year or for any other grade), they will get in, but….you MUST fill out the district placement request sheet. It can be found online on the district’s website: http://verona.ss6.sharpschool.com *scroll down to the “What’s Happening” portion of the website.

2. If your child currently attends CKCS, you do not have to fill out any forms as they are automatically placed into CKCS unless you choose otherwise.
**Important Calendar Updates:**

Please mark your calendars for the following tests for Grades 3-8:
Badger Exam testing during the month of April 2015 and
Measures of Academic Progress (MAP) during the month of May 2015

Beginning with the 2014-15 school year, all Wisconsin students in grades 3-8 will be assessed with the state’s new test, the Badger Exam. The assessment is a computer-based test that measures a student’s general knowledge in the areas of reading and math.

The Badger Exam, in combination with many other assessment measures, helps to accurately measure student progress over time. Students in grades 3-8 will also take the MAP test during the month of May. Please refrain from scheduling appointments outside of school during these two weeks. As usual, please be sure that your child eats breakfast and receives plenty of rest during the testing period. If you have any questions or concerns, please contact your child’s classroom teacher or Mrs. Uelmen at 845-4126 or Chris.Uelmen@verona.k12.wi.us.

**Yearbook Orders for K-5**
Lifetouch order forms were sent home with students in mid-January to purchase yearbooks. If you would like to order a yearbook, please send payment in to the CKCS office by Monday, February 23. If you’ve misplaced your order form, you may pick one up on the CKCS office. Thank you!

**Outstanding Young Person Award**
For 30 years, the Urban League has hosted one of the largest family observances of the King Holiday in Wisconsin. The Outstanding Young Person Breakfast, held on Sunday during the King Holiday weekend, attracts more than 800 youth, families, and community leaders. Middle and high school students are presented with the Outstanding Young Person Award. Students are nominated by schools from all across Dane County based on their academic performance, community service, and extra-curricular participation.

Michaela Anderson (6th), Arlethe Garcia-Teapila (8th), Melanie Torres (6th), Sabrina Melendez-Quinton (7th), Levi Walmer (8th)
Spelling Bee

The all-school spelling bee was held Wednesday, January 28.

For CKCS, the competitors were:
David Yi, Dominic Deyes, Vaishnav Kumar, Irena Clarkowski, Kush Napal, Zaria Roller, Ellen Bie, Amelia Worley, Sam Kessenich, Sydney Breitbach, Zach Waddell, Ryan Ochowski.
The CKCS spelling bee champion this year is Vaishnav Kumar. The runner-up is Ryan Ochowski.

For Badger Ridge, the competitors were:
The BRMS spelling bee champion this year is Ethan Evensen. The runner-up is Rose Cantrell.
Congratulations to all the participants! The winners of this Bee will now participate in the Regional Bee which is March 4 at Stoughton High School.

Science Fair

Your child has been invited to take part in a science fair, an exciting event that encourages students to think like young scientists. During the next few weeks your child will be designing a science project that uses the scientific method to solve a problem. We hope you agree that the educational benefits are numerous, as students develop skills in writing, oral presentation, creative thinking, and problem solving. The fair will be held on Friday, March 6th. We look forward to seeing you there!
CKCS International Night

Dinner – Student Art Exhibit – Concert
Friday, April 24th, 2015
5:30 – 8:00 p.m.

CKCS students and their families will once again experience traveling to various countries studied by the students during the year. Upon arrival at the semi-annual event, families are provided a passport composed of facts and information for each country featured that evening. As families ‘travel’ from country to country, they will experience authentic foods, enjoy a Cultural Art Exhibit and be entertained with a Music Concert embracing dance as well.

Countries that each grade level will represent this year –

**Kindergarten:** United States of America
**Grade 1:** Mexico
**Grade 2:** India
**Grade 3:** Italy
**Grade 4:** Countries in Africa
**Grade 5:** Japan

Fall Book Fair Is March 2-6

Join us for the upcoming Scholastic Fall Book Fair. Find the latest and finest titles for children aged 4-14, as well as books of interest to parents. You can see a preview of titles on the sale web site at [http://bookfairs.scholastic.com/homepage/ckcs](http://bookfairs.scholastic.com/homepage/ckcs)

Scholastic Book Fairs offer CKCS parents a way to reward their readers, stock up on holiday gifts, or contribute to their child’s classroom library, while contributing over $3000 to our school each year.

This spring, in addition to the in-school sale, you can also shop the sale online from February 25 – March 17. Shopping online is a great way to share the sale with family and friends, or to preview your children’s choices before sending money to school. Visit the web site above, place an order directly, and have the items shipped to school for you to pick up. Online purchasing does add sales tax, but there is no additional shipping fee.

The Book Sale relies on volunteers, so consider spending a few hours during the week of March 2 – 6 helping children select books, setting up or unpacking the sale, or working during the evenings at special events. Contact Sarah Lederer or Tana Elias to choose a time to volunteer or sign up for a shift online at [http://tinyurl.com/2015ckcsbookfairsignup](http://tinyurl.com/2015ckcsbookfairsignup)

Class visit schedules are available here as teachers sign up at [http://tinyurl.com/2015ckcsbookfair](http://tinyurl.com/2015ckcsbookfair)

The book sale will also be open 5-8 pm during the Science Fair on Friday, March 6 where the whole family can join in the fun. See you there!

- Book Fair Co-Chairs Sarah Lederer and Tana Elias
Health Insurance

Is your family in need of health insurance? Open enrollment for coverage through the Affordable Care Act starts on November, 15th 2014. For more information or to sign up go to www.healthcare.gov or call 1-800-318-2596.

United Way of Dane County has up-to-date information about where to get help to sign up for health care coverage, and help to pay your premiums (monthly costs) through Health Connect. Call 2-1-1 anytime, day or night.

You can also stop in the Health Office at school for a flier with more information about where to obtain assistance with signing up for health insurance.

Measles - MMR Vaccine
February 1, 2015

Dear Parents and Guardians,

The CDC has reported an outbreak of measles in the U.S. currently involving eleven states. The Verona Area School District would like to take this opportunity to provide some information about measles and how to prevent it.

Measles is the most deadly of all childhood rash/fever illnesses. It is a serious infection that causes fever, cough, a rash, sore eyes, and occasionally dangerous complications. Measles spreads very easily, so it is important to protect against infection. Getting vaccinated is the best way to prevent measles.

Specifically, to have the best protection against measles, two doses of MMR vaccine are required. As part of the childhood immunization program the first dose of vaccine is required between 12 -15 months and the second dose before entering school, at 4 – 6 years.

It is important for you to check your child’s immunization records to make sure he/she has received two doses of MMR vaccine. Measles can spread easily to and from unimmunized children. In addition to being at risk for getting sick if exposed to measles, children with one or zero doses of MMR will not be able to come to school for two weeks if exposed. If you believe that your child needs the MMR vaccine, please call your health care provider or local health department.

A fact sheet about measles is included with this letter. If your child does develop a rash with a fever, they should not attend school and you should call your health care provider. Please tell the clinic you suspect your child may have measles. It is important to call the clinic or hospital before taking your child in.

Please remember – the best way to protect your child is to ensure they have had two doses of MMR.
What is measles?
Measles is a disease caused by measles virus and sometimes referred to as "hard", "red" or "10-day measles".

Who can get measles?
Measles virus can infect any person of any age who has not previously had the disease or measles vaccine.

How is measles spread?
Airborne droplets, from coughing or sneezing, spread the virus. It spreads easily and rapidly.

How soon do symptoms appear after exposure?
It takes from 8-12 days for the cold-like symptoms to appear and 14 days for the rash.

What are the signs and symptoms of measles?
The disease begins with cold-like signs and symptoms including a cough, runny nose, high temperature and red watery eyes. By the second day after onset, a red blotchy rash appears at the hairline and spreads down the body to the arms and legs. The rash disappears in the same order of appearance (head to foot) in about 5-6 days.

How can parents be sure that their child’s illness is measles?
The only sure way to determine if an illness is indeed measles is through a blood test.

When and for how long is a person able to spread measles?
Measles can be spread from one day before the onset of cold-like symptoms, through the fourth day of the rash.

What are the complications associated with measles?
Among children with measles, about 10% develop ear infections, about 5% develop pneumonia, about 0.1% (1 per 1000 cases) develop encephalitis (inflammation of the brain that can result in deafness or mental retardation), and about 0.1% to 0.2% (1 to 2 per 1000 cases) die from it.

Is there a treatment for measles?
There is no specific treatment for measles.

Can measles be prevented?
Yes. Measles vaccine (usually given in combination with rubella and mumps vaccine, called measles-mumps-rubella or MMR vaccine) is recommended for all children at 12-15 months of age and again at 4-6 years of age. The 2-doses of vaccine normally provide lifelong immunity.

Does a past infection with measles make a person immune for life?
Yes
Girls on the Run

Spring program starts the week of March 23rd, 2015

Girls on the Run are a wonderful after-school program for girls in 3rd – 5th grades that teach life skills and self-confidence through an interactive curriculum and physical activity. The 10 week season culminates with the girls participating in a community service project and the Annual Girls on the Run Spring 5K on June 6th in Fitchburg.

Registration opens Monday, February 16th at 8:00 a.m. www.girlsontherundaneco.org
Scholarship assistance is available to qualifying families. For more information about GOTR, participation fees, scholarship assistance and how to register, call 608-831-GOTR (4687) or visit our website: www.girlsontherundaneco.org

Where: Core Knowledge Charter School
When: Monday and Wednesday from 3:30-5:00 pm

Verona Lacrosse 2015 Registration

Verona Lacrosse Spring 2015 Registration is still open! Boys & Girls Grades 2nd-8th – New players welcome!

Indoor Practice Begins March 9th

Registration and Information online at veronalacrosse.com

Want to join the Cub Scouts?

Core Knowledge Courier
The Courier is published bimonthly throughout the school year for Verona Area Core Knowledge® Charter School (CKCS) families. It is written by CKCS staff members, parent volunteers and students. Issues are emailed to CKCS families, or paper copies are sent home to those without email addresses. Material for the Courier may be e-mailed to sandy.strommen@verona.k12.wi.us or dropped off at the CKCS office.
